Twin State Flyers  
PO Box 5530  
Lebanon, NH 03784

or

Bring your dues to the May meeting

**Item of Interest:**

**Oshkosh Notam Now Posted**

Pilots planning to fly to [AirVenture](#) at Oshkosh this summer now can begin planning in earnest, with the official FAA Notam ([PDF](#)) now available for downloading. "We cannot overemphasize this point for AirVenture-bound pilots," says EAA about the Notam: "THIS IS ESSENTIAL READING!" Several important procedures have changed from last year, so pilots shouldn't rely on past experience to get them through this year's event. Special air traffic rules will be in effect in the area from 6 a.m. local time on July 23 to noon on August 2. In other AirVenture updates, EAA said this week an aircraft [auction](#) will be held on the grounds. Also, a night airshow will be featured on Saturday.

Pilots can request a free printed copy of the 30-page AirVenture notam by completing an [online request form](#) or calling toll-free (800) 564-6322. Other special events at this year's show include a gathering of DC-3s to celebrate the aircraft's 75th anniversary and a focus on electric aircraft innovation.

**Dates to Remember:**

**May 15**

First International Learn to Fly Day

[ILTF Online Calendar of Events](#)

**June 5**

Dean Memorial Airport Awareness Day

Dedicated to Joel Godston

10-3 pm

Rain date June 6

Young Eagles Flight Rally

Ages 8-17 Fly for Free!

**June 12**

Highgate, VT, 9 am – 4 pm

**July 26-August 1**

AirVenture 2010, Wittman Regional Airport (OSH), Oshkosh, WI ( [www.airventure.org](http://www.airventure.org) )

Twin State Flyers / EAA 740  
Meeting Minutes  
April 13, 2010

Minutes 4/13/10 meeting

22 members and guests attended the regular meeting which was preceded by a directors meeting.

The Lebanon Airport Awareness day will be held on July 10. As in the past it will be set up on the Signal ramp on the north side. It will consist of various static displays and of course the chapter's YE flights. Braxton Freeman is working with Rick Dymont, the LEB airport manager. Joel Godston prior YE coordinator will be providing input. Volunteers will be needed!! Contact the chapter president or Brax if you can help.

Our speaker for the evening was Wil Dismukes who is pres of the glider club at Springfield. Wil gave an excellent power point presentation consisting of club aircraft involved in soaring towing and other VSF activities. If you'd like a ride or have further interest contact Wil.

After the meeting some of the members hung around for additional hangar flying.

BTW We are still in need of a secretary.
